OPTIMIZING YOUR IMMUNITY AND WELL-BEING

Omega-3 + CoQ₁₀ with Turmeric

Protect your heart and your brain

Give yourself triple protection... without fish breath! Immunotec's Omega-3 + CoQ₁₀ with Turmeric combines the benefits of ingredients that have been clinically proven to promote the maintenance of healthy heart and brain function and contains potent antioxidant properties. This superior synergistic formula uses the latest microencapsulation technology and represents tremendous innovation, making it an easy to swallow capsule and eliminating any potential for bad breath.

FEATURES

This supplement combines the benefits of omega-3 and CoQ₁₀ fatty acids with those of turmeric in a superior synergistic formula.

▶ HIGH QUALITY SOURCE OF OMEGA-3 FATTY ACIDS:

Omega-3 fatty acids contained in Immunotec's Omega-3 + CoQ₁₀ with Turmeric come from purified coldwater fish guaranteeing a superior quality, free of contaminants, such as mercury. Taking 4 small soft gel capsules daily is equivalent to eating a 3-4 ounce serving of fresh wild salmon.

▶ COENZYME Q10 – CoQ₁₀ – ENERGY PRECURSOR:

CoQ₁₀ is a powerful natural antioxidant and one of the essential elements in the production of energy by each cell of the human body, whose distinctive advantages are linked to cardiovascular health and the prevention of migraines.

▶ TURMERIC – A POWERFUL HERB:

Turmeric is a powerful plant whose phytonutrients have robust anti-inflammatory and antioxidant properties, helping to preserve the integrity of the omega-3 fatty acids over time.

▶ PIPERINE – SYNERGY PROMOTER:

Piperine is the active compound found in pepper and it possesses antimicrobial and anti-inflammatory properties. It also promotes the absorption, and the effectiveness, of numerous compounds such as CoQ₁₀ and turmeric, as well as various vitamins and minerals.

▶ SMALL SOFT GEL CAPSULES – CONTROLLED RELEASE:

This small capsule makes it easy to swallow and uses the latest intestinal dissolution technology in order to eliminate any unpleasant reflux (fish odor).

BENEFITS

Plays a key role with regards to the heart, brain and immune system function as well as cell membrane structure and internal energy.

▶ SYNERGISTIC FORMULA:

The synergistic potential of the Omega-3 + CoQ₁₀ with Turmeric formula is maximized in the presence of piperine. Thanks to this innovative formula, CoQ₁₀ sees its effectiveness increased up to 30% while Turmeric benefits from an increase in effectiveness of up to 2,000 % - thus reinforcing the product's antioxidant activities beneficial for cardiovascular health and brain function.

▶ HELPS PROTECT THE HEART:

Helps the cardiovascular system and maintains good circulation by slowing down the process of artery-clogging fat accumulation.

▶ HELPS PROTECT THE BRAIN:

Helps support the health of the nervous system (brain) and blood vessels which are critical in brain functioning.

BENEFITS WITH REGARDS TO THE IMMUNE SYSTEM

Thousands of scientific studies have been published on the beneficial effects of the omega-3 and CoQ₁₀ fatty acids as well as turmeric on the immune system. Why not stack the odds in your favour and benefit your health by simply taking 4 small gel capsules daily?
